- **INTRODUCTION:**

Dr. Siyali Ramamrita Ranganathan (S.R.R.) was a mathematician and librarian from India. His most notable contributions to the field were his five laws of library science and the development of the first major faceted classification system, the colon classification. He is considered to be the father of library science, documentation, and information science in India and is widely known throughout the rest of the world for his fundamental thinking in the field. His birthday is observed every year as the National Librarian's Day in India. On the occasions of this Yashwantrao Bhonsale College of D. Pharmacy in collaboration with Yashwantrao Bhonsale College of Pharmacy has organized “**National Librarian's day**” in remembrance of Dr. S. R. Ranganathan, as a part of NSS activity held on 12th August 2020 at 11:30 AM on Library hall of YBCP.

- **OBJECTIVE:**

To provide the benefits and protections of a qualified hospital pharmacist to the patient, to the institution which he serves, to the members of allied health professions with whom he is associated, and to the profession of pharmacy. Advancement of study of pharmacy, arrangement of meetings for reading papers, and publication of a journal devoted to technical and professional matters.

1. To commemorate the contributions of Siyali Ramamrita Ranganathan (S.R.R.).
2. To endow with information related to Library day, library rules & regulations.
3. To understand the reading habits of students through online survey.
