- ❖ **Organized By:** Yashwantrao Bhonsale College of D.Pharmacy.
- ❖ **Venue:** Google Form
- ❖ **Date & Time:** 25/11/2020 11:00 AM
- ❖ **Program Coordinator:** Ms. Sayali S. Padwal
- ❖ **Program Advisor:** Mr. Satyajit P. Sathe

- **INTRODUCTION:**

World Diabetes Day is the world's largest diabetes awareness campaign reaching a global audience of over 1 billion people in more than 160 countries. The campaign draws attention to issues of paramount importance to the diabetes world and keeps diabetes firmly in the public and political spotlight. It is marked every year on **14<sup>th</sup> November**, the birthday of Sir Frederick Banting, who co-discovered insulin along with Charles Best in 1922. World Diabetes Day was created in 1991 by IDF and the World Health Organization in response to growing concerns about the escalating health threat posed by diabetes. The campaign is represented by a blue circle logo that was adopted in 2007. The blue circle is the global symbol for diabetes awareness. It signifies the unity of the global diabetes community in response to the diabetes epidemic. By keeping this all things in mind Yashwantrao Bhonsale College of D. Pharmacy in collaboration with Yashwantrao Bhonsale College of Pharmacy was organized a Survey Event on World Diabetes Day Special on topic "**Diabetes Awareness Survey Activity**" as a part of NSS activity held on 25<sup>th</sup> November 2020 at 11:00 AM on google form.

- **OBJECTIVE:**

1. To develop the patient counseling skill in students.
2. To aware the nearby local public about the Diabetes and its causes, control and prevention.
3. To promote the importance of taking coordinated and concerted actions to confront diabetes as a critical global health issue.

- **ABOUT THE PROGRAM:**

Yashwantrao Bhonsale College of D. Pharmacy in collaboration with Yashwantrao Bhonsale College of Pharmacy was organized a Survey Event on World Diabetes Day Special on topic “**Diabetes Awareness**” as a part of full bright NSS activity held on 25<sup>th</sup> November 2020 at 11:00 AM on google form. The committee designed a Google form which contains 4 personal questions and 16 survey related questions. Students had used online survey mode. Total 450 responses have been collected by committee, further the committee member analyzed the data to check the attainment of survey objectives. Students filled the Google survey form by asking questions to the public nearby them by allowing the rules of social distancing and also counsel them about the Diabetes and its causes, prevention & control.

Hon. Mr. Satyajit P. Sathe sir Principal of YBCODP has expressed social and academic agenda behind this survey with committee members. The questions asked in the survey and its analysis has been attached here along with this report for future reference.
