HOSPITAL VISIT AT
“CIVIL HOSPITAL, SAWANTWADI”
(26TH Feb. 2018)

A visit to *CIVIL HOSPITAL, SAWANTWADI* was arranged for the 1ST year students of Yashwantrao Bhonsale college of D. Pharmacy on 26th February, 2018. A batch of 50 students along with a faculty member had visited the hospital. The visit coordinated by lecturer, Ms. P. C. Patle, Ms. N. S. Bhosale, and Mr. M. R. Redkar under the guidance of Mr. T. G. Rukari, Principal, Yashwantrao Bhonsale College of D. Pharmacy. The visit started after taking attendance of students at College. We boarded the college bus to reach to Sawantwadi. We reached there around 10:45 am. At the reception, we were welcomed by the team members of Sawantwadi Civil Hospital.

A group of 10 students was made and then a visit to the different departments of the hospital like ICU, IN-Patient Pharmacy, isolated patient department, pathology lab, operation theaters, casualty department, blood bank and blood collection department trauma center, dental care department etc. was arranged. A detailed explanation regarding each department was given during the visit. This was followed by a detailed presentation about the role of hospital pharmacy in hospital along with role of pharmacist in the counseling of patient, drug distribution systems, and inventory management. In the end, we visited the In-Patient pharmacy store, where we had to chance the actual storage, purchasing and billing of drugs to patients. We also saw the special precautions for storage of narcotic drugs and biological products.

During the visit Dr. Samir R. Dhakorkar, B.D.S., M.D.S. was guided the students regarding the dental problems and also educate how to resolve

the same. They also introduce the various surgical equipments and machineries used in the practice of dental check up.

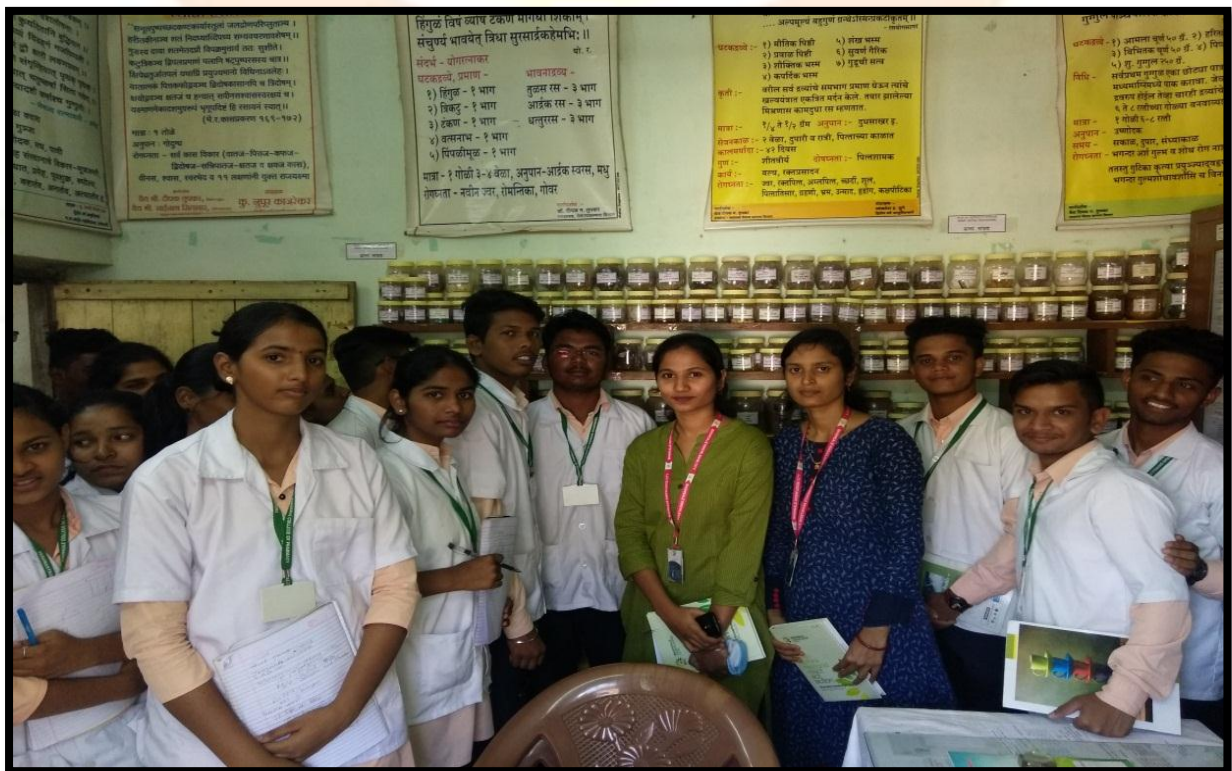

Further we move towards ICTC (Integrity Counseling and Testing Centre) department which is specially installed for HIV positive patient by the Maharashtra state government. Mr. Vishwanath Kambali, HIV Counselor, guided the students regarding how to educate people about AIDS and how to create awareness in public society.

Dr. Durbhatkar sir, M.D., gynecologist, during gynecology department visit, they give valuable information about newborn stabilization unit and newborn care.

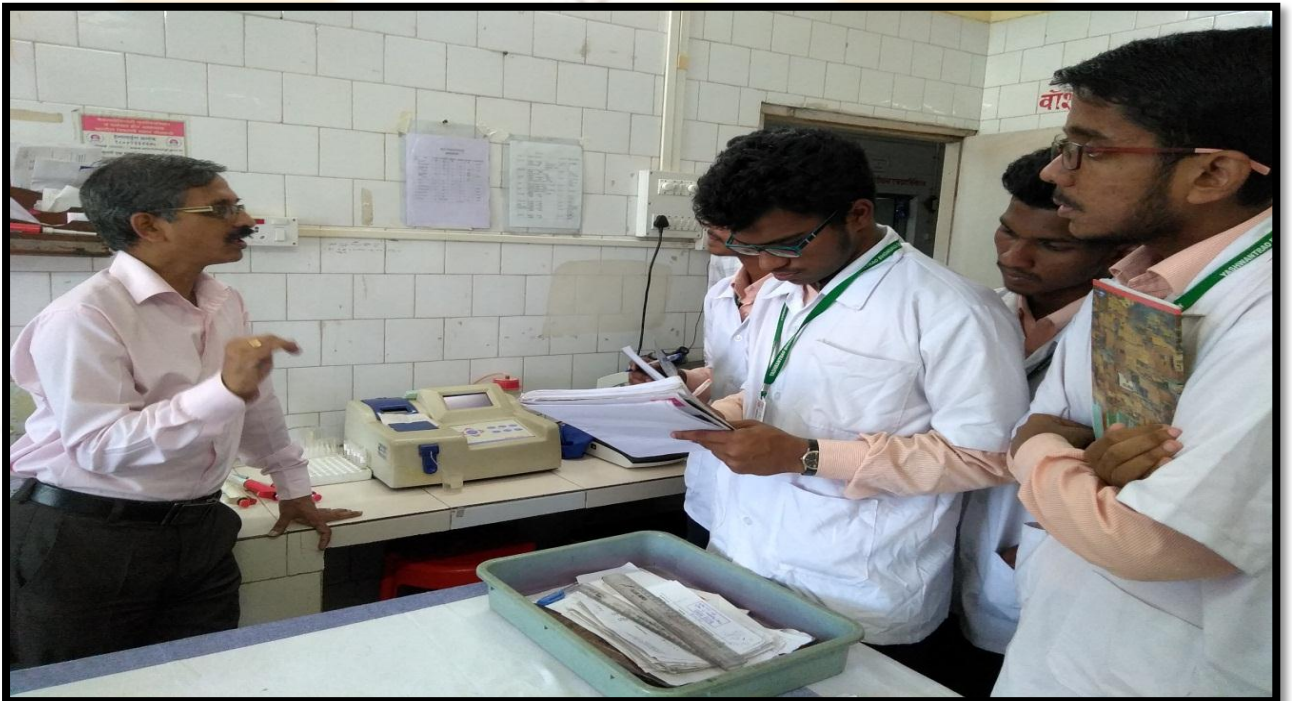

Also students visited to Bhaisaheb Sawant Ayurvedic College (Pharmacy Dpt.) Where Ms. Aaditi Mhadeshwar, Assistant, deliver the valuable information of Ayurvedic dosage form and remedies of natural drugs, Also students were handled various natural crude drugs.

Overall, the visit was very informative and enjoyable. We came to know regarding the role of Hospital Pharmacist in the overall health management.
