## **REPORT ON READING INSPIRATION DAY**

Former president A P J Abdul Kalam 's birth anniversary will be observed as '**Vaachan Prerna Din**' (**Reading Inspiration day**) across Maharashtra ever year.

### **Why is reading important?**

It is important because it is a habit that can make you a better person. Biographies of great men and women tell us that most of them became great because of the inspiration they got from reading books especially during their childhood days. Books not only inspire us, but they also provide knowledge. Even though technology has brought in many changes to the way we read, it has only enhanced our ability to get connected to different sources of knowledge through reading.
